

Webnet **Maximum production lengths**

참고 사항 : 네트 최대 길이(L max.)는 수평 메쉬 방향을 나타냅니다.
높이(H)에 대한 생산 제한은 없습니다. 그러나 물류 및 조립상의 이유로 네트당 총 중량을 고려해야 합니다. 초과 길이의 배송은 사전 승인 후에만 가능합니다.

Please note : The maximum net length (L max.) refers to the horizontal mesh direction. There are no production limits for the height (H). However, for logistical and installation reasons, the total weight per net must be taken into consideration. Delivery of excess lengths are only possible after prior approval.
